

INTERNAL AUDIT CHECKLIST

Council: Beckington Parish Council

Date: 15th June 2023

Appropriate accounting records have been properly kept throughout the year AND Periodic bank account reconciliations were properly carried out during the year		
REVIEW	COMMENT	Action Required
Ensure the correct roll forward figures of the prior year's cashbook balances to the new financial year.	Correct figure rolled over.	
Check a sample of financial transactions in cashbooks to bank statements, etc: the sample size dependent on the size of the authority and nature of accounting records maintained.	Samples checked and correct. There are some invoices that are missing and two bank statements but information has been confirmed from the cheque book	Recommend that all payments are fully supported by invoices and if available, that an invoice number is included on the cheque stubs.
Ensure that bank reconciliations are prepared routinely, are subject to independent scrutiny and sign-off by members.	Reconciliations have been undertaken but information provided in the minutes does not include bank statement information. This needs to be improved.	Recommend that a quarterly bank reconciliation is presented to Council indicating its balances as at 30 th June, 30 th September, 31 st December and 31 st March.
Verify the accuracy of the year-end bank reconciliation detail and ensure accurate disclosure of the combined cash and bank balances in the AGAR, section 2, line 8.	The reconciliation balances.	
Where the authority has bank balances in excess of £100,000 it has an appropriate investment strategy.	Authority has balances of approximately £106k at year end. An investment policy may be required if balances continue to be in excess of £100k.	Review balances during the year and review investments accordingly.

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT appropriately accounted for.		
REVIEW	COMMENT	Action Required
Review the procedures in place for acquisition of formal tenders and quotes, ensuring they	Financial Regulations are available on website and readopted in May 2023	Recommend that both policies are reviewed and that the new tender limit of £30,000

are in line with the SOs and FRs which should be based on the latest version.	Standing Orders are available on the website and up to date and were readopted in May 2023.	including VAT are included.
Ensure that consistent values are in place for the acquisition of formal tenders between SOs and FRs (frequently different limits are recorded in the two documents)	Limits are consistent. Contracts Finder requirements need to be amended to include contracts over £30,000 inc. VAT.	Recommend Contracts Finder requirements amended to include contracts over £30,000 inc. VAT.
Review the procedures for receipt of invoices, agreement of invoice detail and confirmation of goods/services delivery and approval for payment: ideally, a suitably designed certification stamp should be in place providing for evidencing of these checks and payment authorisation.	Expenditure considered by Full Council and properly minuted. Cheques are signed by 2 of the Council's signatories.	
Check that there is effective segregation between the writing of cheques or the setting up of online payments, and physical release of payments.	Appropriate segregation is in place.	
Check that VAT reclaims are prepared and submitted in a timely manner in line with the underlying records and in accordance with current HMRC requirements	VAT is normally claimed annually.	.
Where debit / credit cards are in use, establish the total monthly and individual transaction limits and ensure appropriate controls over physical security and usage of the cards are in place	Not in use.	

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Tangible Assets		
Ensure that the Authority is maintaining a formal asset register and updating it routinely to record new assets at historic cost price, net of VAT and removing any disposed of or no longer serviceable assets.	The asset register is updated annually. Recently updated and approved by Council.	
Physically verifying the existence and condition of high value, high risk assets may be appropriate.	Verified.	
The register should identify for each asset the purchase cost and, if practicable, the replacement/insured cost, the latter being updated annually and used to assist in forward planning for asset replacement.	Asset Register is in place. Assets are stated at cost with replacement costs included in register.	Recommend that further work is carried out on the asset register to ensure that it is fully accurate.
Additions and disposals records should allow tracking from the prior year to the current.	No disposal of assets identified during the financial year.	
Ensure that the asset value to be reported in the AGAR at section 2, line 9 equates to the prior year reported value, adjusted for the nominal value of any new acquisitions and / or	All in order.
