

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **Beckington Parish Council – SO0021**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 1 has been incorrectly completed. The internal auditor has drawn attention to the lack of budget monitoring during the year. As a result, this assertion should have been ticked ‘No’.

Section 2, Box 4 in the comparative column incorrectly includes items which are not staff costs as defined in the Joint Panel on Accountability and Governance Practitioners’ Guide. Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers’ national insurance contributions, employers’ pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Employment expenses which are benefits (mileage, travel, etc.) and items of reimbursement of expenses for postage, stationery or other outlays made on behalf of the smaller authority are not staff costs for the purpose of completion of the AGAR in accordance with proper practice. The figures in Section 2, Boxes 4 and 6 of the prior year comparative column should read £3,238 and £9,832 respectively.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertion in Section 1, Box 4, but it has not provided the appointed auditor with an adequate explanation for non-compliance, merely that it did not meet its obligations for electors’ rights in respect of 2021/22. The smaller authority has confirmed that this has been rectified in respect of the 2022/23 AGAR, however, please note the matter below.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2023/24 for the exercise of public rights, since the notice regarding the period for the exercise of public rights was not published before the start of the period. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2023/24 and ensure that it makes proper provision for the exercise of public rights during 2024/25.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to weaknesses in relation to retention of payment documentation, bank statement approval in the minutes, procurement procedures and the access to HMRC government gateway. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
